## OUR SERVICES

We provide wide range of services and consultancy in the following fields:

### COMPUTER ASSEMBLING AND REPAIRING

We supply the equipment at attractive prices and advice our clients on the ideal products, with competitive prices, and we offer very good after-sales services (warranty, product licensing, maintenance and support).

Upon request to purchase a computer and related equipment, we do a need analysis to access the requirement of our customers. We then recommend computers and accessories with specifications that will be able to deliver as per the requirement.

### NETWORKING/WIRELESS NETWORKING

We install Local Area Networks (LAN) as well as Wide Area Networks (WAN) for different organizations, Institutions, companies or individuals. We provide 24 hour network support services to companies that we have installed our networks to make sure that the network they are using is up and running.

### COMPUTER REPAIR AND MAINTENANCE

We Repair and maintain computers. When your computer has a hardware or software problem we provide repair services, cleaning the computer from viruses and installing necessary software for smooth running of your computer every day.

### HARDWARE, SOFTWARE SUPPLY AND ANTIVIRUS INSTALLATION

We supply different software that your company needs at any time like Anti viruses, Office Packages, Windows Operating systems, SAGE Line 50, Statistical Packages and many others your company needs anytime.

### GRAPHIC DESIGN

Your brand identity is the first thing people are going to remember you for. They will not remember of the specifications of your products or the kind of material you used to build them. They will first remember of how great the products look, how unique is your logo and how pleasant is the navigation on your website.

### WEB DESIGNING

Glance IT Solutions is a company that develops world class websites for your company so that you can expose your brand to the world for wide recognition. We develop static as well as dynamic websites that you may be interested in to meet and suite your needs as our client.

We provide the actual Hardware on which the enterprise solution runs. Your hardware system is the foundation which we build all enterprise software on.

## PCS & LAPTOPS ASSEMBLING AND REPAIRING

We Repair and maintain computers. When your computer has a hardware or software problem we provide repair services, cleaning the computer from viruses and installing necessary software for smooth running of your computer every day.

### **Computer Sales, Repair & Servicing**

*We sell all brands of computers ranging from desktops, laptops, pda s and servers amongst others. We repair and service these equipments to offer long lasting solutions cheaply.*

### **Operating System Upgrades**

*Operatings systems such as XP are upgraded to windows 8. We can also upgrade your server to windows server 2007*

### **Hardware Upgrades and Support**

*Your computers hardwares will always be upgraded to latest models, speeds and capacities. We shall support you all the way.*

### **Software upgrades, updates and patching**

*We upgrade all software to the latest versions and with best brands*

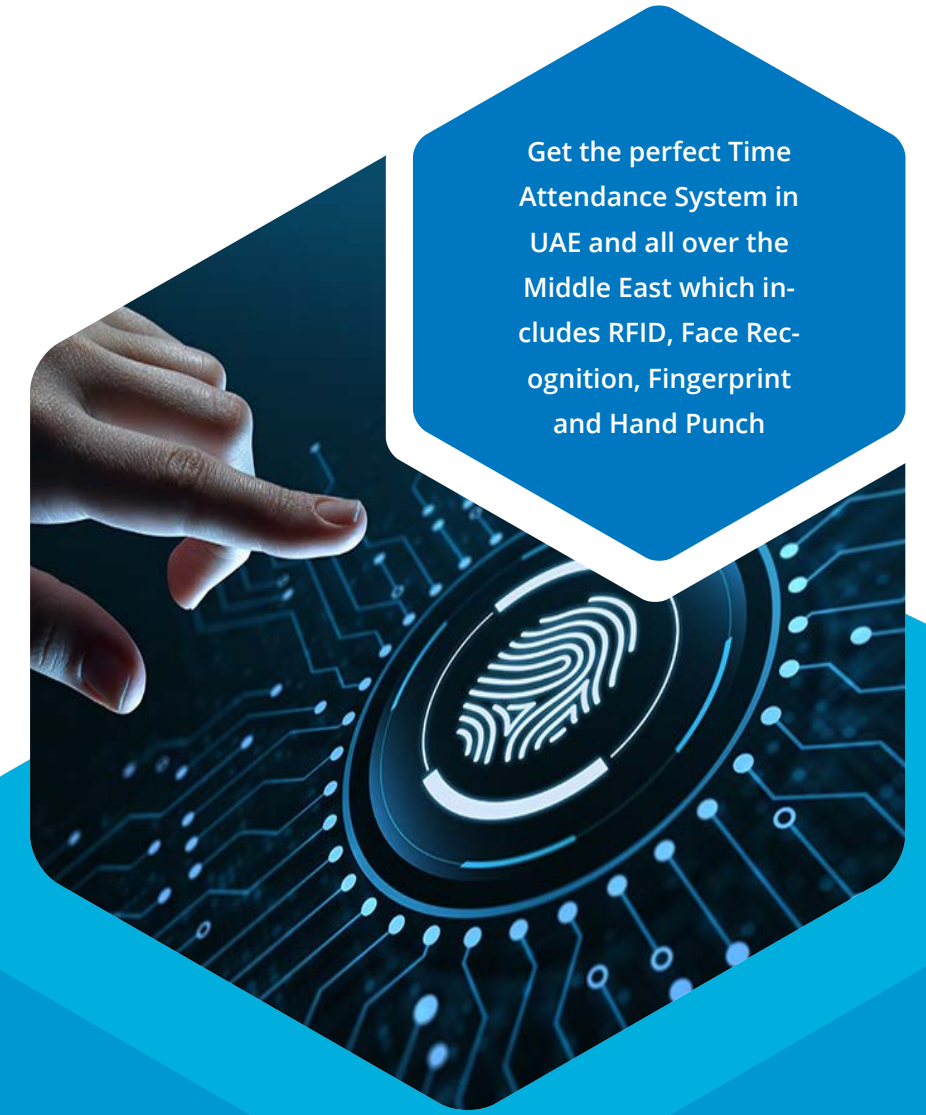

## BIOMETRIC ATTENDANCE SYSTEM

The efficiency of an organization is correlated to the efficiency of the employees. One way of increasing the efficiency and effectiveness in administration of employees is through Time Attendance. In order to have an efficient Time Attendance system, in our opinion, must meet certain criteria. They are:

- *Easy of use*
- *Hardware independence*
- *Integration with other systems*
- *Clear reports and dashboard*

Get the perfect Time Attendance System in UAE and all over the Middle East which includes RFID, Face Recognition, Fingerprint and Hand Punch

## PRINTERS / SCANNERS

66
